ABOUT US

Great Photo Safari

Highly trained and experienced pilots are at your service. If you want to fly over specific targets (mountains, islands or urban areas) or if you want to soar over a specific area for a great photo safari, SplitAir will fully meet your wishes.

Our own aircraft

During the flight you can either use your own camera or **hire our** experienced photographers with professional equipment. We operate our own aircrafts, Cessna 172 and 182, customized for aerial photography with removable windows and doors.

Our Vision

The company's basic idea is to provide air transport services in the Adriatic, as well as to introduce innovation in the tourist offers of the area through panoramic excursions.

THE ALKAR ROUTE

PRICE
135€

Welcome to the nearly mythical land of the Alkar knights

This route begins with the departure from the Sinj Airport and a flight over the medieval knights' town of the same name. Following is the flight to the Peruca Lake, after which we will continue along the river Cetina to the town of Trilj, turning around the Sinj field and heading back to the airport.

THE DIOCLETIAN ROUTE

PRICE
195€

**See why Roman
emperors called
this place heaven**

This route starts by taking off from Sinj airport, flying over the town of Sinj and the beautiful Sinj field, heading towards Split. Ten minutes later we will be flying over the 15 centuries old Klis fortress, which offers a mesmerizing panoramic view of the city of Split, islands of Brač and Šolta, and the beautiful Marjan forest. The flight continues along the city's southern coast, offering a full panoramic view of the city after turning over Marjan. The trip ends with a flight over the small town of Solin, after which we will head back towards the airport.

Duration - 30 minutes
Max. number of passengers - 3

THE BLUE-RED ROUTE

PRICE
375€

Witness the magic of lakes

The flight starts by gliding over the Sinj field and continues along the Cetina river towards the town of Trilj, where we make a turn towards Imotski, flying over the karstic landscapes. The town of Imotski boasts two pearls of nature, two lakes placed at the bottom of large craters. The rocks enclosing these lakes are of different colors; one is surrounded with blue, and the other with red rocks. We continue our flight towards Omiš, placed right at the mouth of the beautiful canyon of the river Cetina, offering the view of the open sea. The flight continues along the coastline towards the suburbs of Split, where we turn towards the Klis fortress and the town of Sinj.

Duration - 60 minutes
Max. number of passengers - 3

MAMMA MIA 2 ROUTE

PRICE
555€

See what inspired the producers

This attractive route will bring the beauty of Split and the Central Dalmatian islands of Šolta, Brač and Hvar to the passengers, while flying towards Vis, a remote pearl of Dalmatia. Passengers will enjoy the tour around this beautiful island, the place where the sequel of the famous Mamma Mia! movie was filmed.

Duration - 90 minutes

THE GAME OF THRONES ROUTE

A photograph of the Dubrovnik city walls and old stone buildings at dusk. The walls are made of light-colored stone and run along the edge of the city. Behind the walls, there are several buildings with red-tiled roofs and white walls. The sky is a mix of purple and blue, suggesting the time is either dawn or dusk. The overall scene is peaceful and historic.

PRICE
720€

The magic of the old stone city of Dubrovnik

The Game of Thrones route will present the magic of the old stone city of Dubrovnik to the passengers. During the flight towards Dubrovnik, the passengers will enjoy the grace of Southern Dalmatia. After flying over the mighty Biokovo mountain, the view of the islands of Mljet and Korčula and the Pelješac peninsula will appear on the horizon, after which the Elaphites will start to emerge. The climax is a circle over the famous walls of Dubrovnik, where the popular fantasy drama Game of Thrones was filmed, and the beauty of the monumental walls is quite breathtaking.
